

The Democratic Vision

For more than 200 years, Democrats have stood for the idea that wealth and status should not be an entitlement to rule. Democrats recognize that our country and our economy are strongest when they provide opportunity for all Americans.

Democrats stand for an abiding faith in the judgment of hardworking American families, and a commitment to helping the excluded, the disenfranchised and the poor strengthen our nation by earning themselves a piece of the American Dream. We remember that our country was sculpted by immigrants and slaves, their children and grandchildren. Even today, it is our diversity above all else that provides us with our enduring strength.

Democrats believe that each of us has an obligation to each other, to our neighbors and our communities. Each of us has a role to play in creating our future—and while we have made great progress as a nation, we know that our work is never done.

The Lake of the Woods DEMOCRATIC CLUB

www.lowdemocrats.org

We believe that nothing less than the future of our great nation is at stake this election year.

Members of the Lake of the Woods Democratic Club are energetically involved in the campaign to re-elect President Obama so that he can complete the work of restoring the nation's economy, a task he has so nobly begun.

We are working to elect our great former governor, Tim Kaine, to the U.S. Senate.

We are working to help repair a dysfunctional U.S. Congress by replacing one of its most dysfunctional members with a man of decency, intelligence and character, Wayne Powell.

About Our Club ...

Topical speakers are featured, as well as organized political activities. Lively discussions about current events and a shared concern for our country and the well-being of its citizens are always on the agenda.

We review legislative issues that are before our national, state, and local governments, and consider the platforms and positions of candidates for office to enable informed voting decisions.

Every June we have a Flag Day Membership Picnic, and other special events are held throughout the year. See *Lake Currents* for meeting information.

When: Third Thursday of each month
