

Traci will bring common sense back to the state legislature. Imagine a Virginia where everyone can find a job, a Virginia where we keep our money in the local economy, and every teacher has all the necessary resources to prepare students to enter our economy. That's Traci Dippert's vision for Virginia. If this is your vision, too, you'll want to meet Traci!

## 2-4 p.m. Sept. 19

LOW Community Center Refreshments will be served

## The Lake of the Woods Democratic Club
