

The Democratic Vision

For more than 200 years, Democrats have stood for the idea that wealth and status should not be an entitlement to rule. Democrats recognize that our country and our economy are strongest when they provide opportunity for all Americans.

Democrats stand for an abiding faith in the judgment of hardworking American families, and a commitment to helping the excluded, the disenfranchised and the poor strengthen our nation by earning themselves a piece of the American Dream. We remember that our country was sculpted by immigrants and slaves, their children and grandchildren. Even today, it is our diversity above all else that provides us with our enduring strength.

Democrats believe that each of us has an obligation to each other, to our neighbors and our communities. Each of us has a role to play in creating our future — and while we have made great progress as a nation, we understand that our work is never done.

Service to Others

Service to our community and to others is very important to the Lake of the Woods Democratic Club.

Members volunteer regularly at the Wilderness Food Pantry at Locust Grove Town Center, which provides food to needy families in Eastern Orange County.

Club members also support the Living Water Free Clinic, which provides primary medical care and prescription assistance for the uninsured and underserved population in Orange County.

About Our Club ...

Topical speakers are featured, as well as organized political activities. Lively discussions about current events and a shared concern for our country and the well-being of its citizens are always on the agenda.

We review legislative issues that are before our national, state, and local governments, and consider the platforms and positions of candidates for office to enable informed voting decisions.

Every year we have a Membership Picnic, and other special events are held throughout the year. Meetings are held on the **second Thursday** of each month. In alternate months meetings are at 1 p.m. in the LOW Community Center. At other times we meet at a social hour at 5 p.m..

The Lake of the Woods Democratic Club is striving to make the promise of change a reality, election by election.
